MANO C.OR-13 Tool Box

Built for Durability and Longevity

The **MANO C.OR-13** tool box is crafted from **high-quality impact-resistant plastic**, designed to withstand the rigors of daily use. The reinforced body structure ensures maximum durability, even under heavy loads, while remaining lightweight enough for easy transportation. The sturdy construction prevents cracks and deformation, making it ideal for use in both professional and industrial environments.

The **strong metal latches** provide a secure lock, ensuring that the contents stay in place even during travel or rough handling. Unlike low-quality alternatives, the MANO C.OR-13 is designed to last – giving you peace of mind that your tools are safe and the box will serve you for years.

Smart Organizer for Maximum Efficiency

One of the standout features of the **C.OR-13 Tool Box** is its **integrated top organizer**. It includes **transparent compartments** for storing screws, nails, nuts, bolts, drill bits, and other small accessories. This clever design allows you to quickly see what's inside without having to open the main compartment – saving you valuable time and effort during work.

The organizer lid is securely fastened, preventing small parts from mixing or falling out, even when the box is carried or tilted. Each compartment can be accessed independently, offering excellent convenience and efficiency for on-the-go repairs or assembly projects

Compact Yet Spacious Design

Don't be fooled by its compact appearance – the **C.OR-13** provides **ample storage space** for a wide range of tools. The main compartment can hold hand tools like hammers, wrenches, pliers, and screwdrivers, while still leaving room for smaller power tools or accessories.

Its **13-inch size** strikes the perfect balance between portability and capacity, making it an ideal companion for professionals who need to carry their essentials without being weighed down by a bulky toolbox.

Dimensions (Approx.):

- **Length:** 33 cm
- **Width:** 18 cm
- **Height:** 15 cm

The ergonomic handle on top provides a comfortable grip, allowing easy carrying even when fully loaded. Its compact shape also makes it easy to store in cars, workshops, or tight spaces.

Stylish and Functional Design

The **MANO C.OR-13** doesn't just perform well – it also looks great. With its **professional black and orange color scheme**, it represents quality and craftsmanship. The clean, practical design ensures that every detail serves a purpose, combining aesthetics with functionality.

The **textured finish** adds an extra layer of protection against scratches and fingerprints, keeping your toolbox looking new even after extensive use.

Ideal for Multiple Uses

The **C.OR-13 Tool Box With Organizer** is incredibly versatile. It's not only suitable for professionals like electricians, plumbers, carpenters, and mechanics, but also perfect for home users and hobbyists who need to store tools, accessories, or craft materials.

Typical uses include:

- Storing hand tools and power tool accessories
- Organizing DIY and household repair tools
- Managing screws, nuts, bolts, and fittings
- Keeping hobby or craft supplies neatly arranged
- Portable toolbox for fieldwork or construction sites
